Notes

- This Fee Schedule should be read with your Services Agreement
- Rates are exclusive of GST
- Under Support at Home, services are charged at a simplified, all-inclusive rate for each service, which includes the cost of travel time, transport and visit fees.
- Fees and charges may be updated periodically to reflect changes in the costs of delivering services. You will be given reasonable notice of any changes to the fee schedule.
- It is your responsibility to notify the BCA Home Care Service if you are not available for a scheduled visit. If you need to cancel a service, please let us know at least 48 hours prior to the commencement of the service. If you cancel later than this, we will need to charge the full visit fee to the package, and any co-contributions as applicable, even if you do not receive a service. We understand however, that there may be circumstances when you cannot contact us within this timeframe (for example following hospitalisation). Under these circumstances we would not charge you for a cancelled visit.
- Visit times, as per Services Australia rules, will be charged in 15-minute increments. Normal rounding rules will apply.
- As a Support at Home participant, you will have access to care management services in line with your assessed need. 10% of your budget is set aside and held by Services Australia for care planning, service coordination, budget management, monitoring, review and evaluation and support and education. A BCA Home Care team member will work with you to deliver your care management.
